

EXPERIMENTAL PHOTOGRAPHY WORKSHOPS

**MADE BY LIGHT**

EXPERIMENTAL PHOTOGRAPHY WORKSHOPS

**MADE BY LIGHT**

# experimental photography

## workshops

by Tomek Kowalczyk  
at Spinhuis, Amsterdam  
September and October 2016

The indoor photos are shadows of found objects on light sensitive paper. The outdoor photos are the perspective of garbage on the streets of Amsterdam. Found objects were turned into pinhole cameras, then put back where they were found.
